## **Ron Jaworski Golf Completes Tee Renovation Project at Ramblewood Country Club**

Ramblewood Country Club underwent a renovation to its tee boxes recently in order to improve playability and enhance conditions for all golfers. “We are proud to unveil our new and resurfaced tees for play. Ron Jaworski Golf takes pride in being a leader in the golf industry. The new tees and tee box renovations at Ramblewood are yet another example of how the team strives for continuous improvement at all its golf courses.” said Ron Jaworski, Chief Executive Officer of Ron Jaworski Golf.

“One of our primary objectives for Ramblewood and all of our courses is to enhance playability for golfers of all ages and skill levels,” added BJ Jaworski, President of Ron Jaworski Golf. “To that end, we have made significant improvements to the men’s teeing areas with flatter, smoother surfaces topped with new Bermuda grass. Additionally, we have installed new forward tees on several holes.”

Ramblewood CC offers five sets of tees, designed to accommodate everyone from novices to highly skilled players. Ramblewood Director of Golf recommends the following tees based on players’ average driving distance:

Blue - 280 Yards or more

White - 225- 275 Yards

Gold - 200 - 225 Yards

Red - 200 yards or less

Depending on the set of tees a player choose to play, Ramblewood can be both a long and challenging long course, and a short, fun course. Add that to premier playing conditions and unsurpassed hospitality, and it is a formula for a rewarding experience for both or members and our daily fee guests.

## About Ramblewood Country Club

Ramblewood Country Club offers 27 holes of championship golf for players of all skill levels. The White course features expansive fairways and large greens. The Red course is similar in design, though somewhat longer and perhaps a bit more challenging. The Blue course has tighter fairways and undulating greens that pose a true test of shot making. The combination of nines gives golfers true variety when playing Ramblewood.

Ramblewood is an enormously popular and picturesque wedding venue. With its elegant event spaces and all-inclusive packages, the Ramblewood team will go above and beyond to ensure an unforgettable celebration.

Ramblewood's award-winning Seven Tap-Tavern is a cool, friendly tavern featuring craft beers, an exceptional menu and 11 large screen TV's. The name of the tavern originates from Ron Jaworski's jersey number worn during his long and distinguished NFL career with the Philadelphia Eagles. Not a golfer? Not a problem. The Tavern is **the** place to meet friends, to watch a game, grab a beer, make new friends and enjoy some outstanding Tavern fare.
